<u>Protection of children and vulnerable adults</u>					
1. It is Club policy that children and vulnerable adults are accompanied and supervised by a parent or responsible adult at all times, both when under instruction and when shooting as club members. 2. Because of the nature of the sport safety and discipline are paramount. The club instructors will take whatever steps they feel necessary to ensure the safety of all. This may include raising the voice and physical contact. 3. It is impossible to effectively coach archers without some physical contact. By signing the consent at the bottom of this form you are indicating that you have read, understood and agreed to these terms.					
I have filled in the form correctly to the best of my knowledge. I have read, understood and agree to the terms laid out. (Signed)			If applicant is a junior, parent please sign and state your name, relationship and address (if different) (Signed)
